

Class today

Last test will be comprehensive

It will contain 45 questions (same format as previous on-line tests). Chapters 13 & 14 will be a 20% of the test.

My choice for previous chapter questions will be selected from those questions which a sizeable number of students got wrong. (hint: will be no NEW questions from the previous chapter material; so study the ones you got wrong)

Course Comprised of Several Parts

	Quantity	Total Pts
Labs (15 or 30 pts)	13 Labs	210
Exams (100 pts)	5 exams	270
